TEAM PLACEMENT

We do our best to place players in their preferred teams, however we can't guarantee that this is always possible. Placements are based around previous teams and stated preference as well as suburb/school and ratio of players.

TEAM COACHES AND MANAGERS

Each team will need at least one coach and a manager (no coach, no team), as well as other parental assistance on Saturdays to help with tasks such as umpiring, scoring and putting out boundary markers. We really appreciate all the help parents can give so if you are available, please indicate on the registration form.
